Registration

There are three options available for registration. These are in the front of the Clubhouse under the port cochere, inside the Clubhouse opposite the reception area or alternatively outside the Clubhouse on the patio. All areas offer a wonderful setting and advantage to welcoming golfers and guests to the Club.

Bag Drop

This important feature creates the first impression for your guests and sets the scene for the golf event. Players will be welcomed and directed to the registration area whilst their bags will be carried to the front of the Pro Shop ready for the round.

GOLF CARTS

The club has 40 golf carts available for hire. Each golf cart is fitted with a GPS unit to assist players with course information.

To maximise this service, we recommend a golf cart allocation sheet be provided to the club two days prior the event. The club will then ensure the placement of either the sponsor or players' names on the carts. Golf bags will then be allocated to each cart awaiting the players.

Events that want to include their guest's names on the golf carts are to submit their time sheet to the Director of Golf two days before the event.

Hire cost	- R 445 per cart and we have 40 carts max.
-----------	--------------------------------------------

Additional carts can be hired in at an extra cost.

Two caddies per four ball is compulsory.

If the host organisation is paying for the caddy the cash fee must be given to the players at registration. Vouchers will be provided for the Caddies' Halfway meal to the value of R 55.00. Please ensure that when making arrangements for specific watering holes that provision for refreshments for the caddies is also made.

The Country Club Johannesburg does not belong to the Caddy Foundation and our Caddies are not employed by the Club.
