ENVIROMENT NEWS

CELEBRATING THE SUCCESS OF OUR ARBOR CAMPAIGN!

We are thrilled to share the incredible success of our 2024 Arbor Campaign! Thanks to the generous support of our members, we raised R37,565, which allowed us to plant 418 indigenous trees across our beautiful golf courses!

OUR MISSION?

To enhance the natural beauty of our grounds, contribute to the environment, and leave a lasting legacy for future generations. With your help, we've made amazing progress!

WHAT WE PLANTED:

We introduced a variety of indigenous trees, including false olives, fever trees, monkey thorns, wild pears, and waterberries, carefully selected to thrive in our landscape.

WHERE WE PLANTED:

85 trees along #7 Rocklands to define the fairway edge.

50 trees on #16 Rocklands to create a lush, green belt.

Strategic planting across multiple holes to enhance the course's natural beauty.

LOOKING AHEAD:

We initially ordered 527 trees from Plantzentral, with 162 still nurtured in our nursery for future plantings! Our dedicated environmental team and planting crew worked tirelessly to bring this vision to life, and we even installed water connection points to ensure the trees stay healthy through summer.

THIS IS MORE THAN JUST TREES—IT'S ABOUT MAKING A LASTING IMPACT!

Thank you to every member who contributed to this meaningful initiative.

Your generosity is shaping the future of CCJ's environment!

Stay tuned for updates as these trees flourish!

Tee-sheet Update:

Wednesday 19 March 2025

Dear Members,

Please be advised that starting Tuesday, 1st April, we will be implementing one-tee on alternating courses from Monday to Thursday each week. Additionally, tee time intervals will increase from 8 minutes to 10 minutes on both courses during this period. On Fridays, Saturdays, Sundays and Public Holidays—our peak times—the schedule will remain unchanged, with two-tee starts at 8-minute intervals.

This schedule change follows the success of the trial run conducted in December 2024. During this trial, we observed significant improvements in the pace of play, leading to a smoother and more enjoyable experience for all players. By introducing this adjustment, we also aim to support better course maintenance, ensuring that both courses remain in excellent condition while minimising disruptions during your round.

EXAMPLE OF SCHEDULE:

- **Monday:** One-tee start on Rocklands | Woodmead: Closed (maintenance) | 10-minute intervals
- **Tuesday:** One-tee start on Woodmead | Two-tee start on Rocklands | 10-minute intervals
- **Wednesday:** One-tee start on Rocklands | Two-tee start on Woodmead | 10-minute intervals
- **Thursday:** One-tee start on Woodmead | Two-tee start on Rocklands | 10-minute intervals
- **Friday:** Two-tee start on Rocklands and Woodmead | 8-minute intervals
- **Saturday:** Two-tee start on Rocklands and Woodmead | 8-minute intervals
- **Sunday:** Two-tee start on Rocklands and Woodmead | 8-minute intervals
- **Public Holidays:** Two-tee start on Rocklands and Woodmead | 8-minute intervals

Should you have any questions, please feel free to contact the Golf Department. We appreciate your understanding and cooperation as we continue to enhance the overall golf experience at CCJ.

Kind regards,
CCJ Golf Management
