CCJ: ACCESS CONTROL AND GUEST POLICY

Dear Members,

We kindly remind you of the Club's access control protocols and guest policy to ensure seamless entry and adherence to our regulations.

Access Control

- The "Members Only" lanes are strictly reserved for members, who may gain access by swiping their membership cards.
- Visitors are required to present both their driver's license and vehicle license disc for scanning by security before being granted entry.

To facilitate an efficient entry process, members are requested to notify the Club in advance of their guest's arrival. This can be done by:

1. Contacting Reception, or
2. Informing security at the boom gate prior to your guest's arrival.

If your guest is booked to play golf or padel, and their name appears on the booking sheets, no further notification is necessary.

Please note that failure to provide prior notification may result in delays, as guests will be held at the gate until their access is confirmed by the member.

Guest Policy (Rule 43)

- A guest may visit the Club no more than twice per calendar month.
- Members introducing guests are responsible for ensuring their eligibility in accordance with this rule.

We also take this opportunity to remind all members that they are fully responsible for their guests' conduct while on Club premises.

We thank you for your cooperation in upholding the standards of our Club.

Warm regards,
CCJ Management
